### **HISTORY & PHILOSOPHY**

The purpose of the Rocky Mountain Percussion Association is to promote the growth of the percussive arts through competition, performance, and educational activities; and to encourage goodwill, good sportsmanship, and camaraderie throughout the association.

1993 – Percussion Ensembles across Colorado get together to perform for each other

1994 – Ralph Hardimon, Joe Bartko, Steve Yates, and Charles Craig form RMPA

Since 1993 the Rocky Mountain Percussion Association has provided competition and training for more than 15,000 students, has become one of the premier percussion organizations of its kind in the country, and has served as a national model by which other organizations are administered and managed. This Association is a cooperative effort among the community of Ensemble Directors, Staff, and Volunteers, to increase student motivation and advance percussion performance opportunities.

### **ETIQUETTE**

#### **COMMUNITY**

This activity thrives on teamwork, sportsmanship, and general good will toward all. Directors/instructors, students, parents, and RMPA staff/judges are all responsible for maintaining the highest level of courtesy and respect toward everyone involved.

We encourage directors to communicate and problem solve solutions before finding the RMPA Contest Administrator. Please send only the director/instructors of the ensemble (no parent or other liaisons) to find the RMPA Contest Administrator. For host-specific issues, report to Hospitality or Check-In locations for assistance.

#### **JUDGES**

We pride ourselves on the professional level of our adjudication panels here at RMPA. Judges are the top professionals in our community who have valuable experience and knowledge to help every ensemble grow and develop. RMPA expects all directors and instructors to maintain the highest level of tact and respect towards our judges throughout each and every critique session.

ANY UNDESIRABLE BEHAVIOR MAY SUSPEND THE ENSEMBLE AND THE INDIVIDUAL(S) RESPONSIBLE FROM CURRENT AND FUTURE CRITIQUE SESSIONS.

## **SOCIAL MEDIA**

RMPA encourages a supportive environment through all media outlets. Social Media has become integrated into all aspects of our activity and we expect the community to use these outlets as tools for collaboration, communication, networking, and education. We ask that all RMPA members, staff, and instructors use social media outlets with the same etiquette that they would in person. Please communicate with the Board of Directors with any concerns and issues you may have.

### **CLASSIFICATION**

RMPA follows the WGI guidelines for unit classification, with the addition of Novice Class, Regional A, Standstill Percussion, and Independent Concert classes.

The RMPA Board of Directors, in consultation with the Judge Coordinator may require any ensemble to compete in a higher classification.

The RMPA Board of Directors may advise but will NOT require any ensemble to compete in a lower classification.

Ensembles may be reclassified and awarded promotion based on their skill level at any time in the season up to the cutoff date (7 March 2022). Ensembles may be reclassified between prelims and finals at any event if the Board of Directors and/or Contest Administrator can modify the performance schedule.

Ensembles may move divisions one (1) time per season, up to the cutoff date (7 March 2022).

If a group is asked to produce a current performance video for evaluation, the group has seven (7) days to deliver the media to the Board of Directors or the reclassification will automatically be made. If the ensemble does not agree with this ruling of reclassification, the ensemble has the right to appeal this ruling by contacting the Board of Directors within forty-eight (48) hours. The Board of Directors will then review the appeal. The final decision will be made within seven (7) days of this appeal.

## ADJUDICATION

An RMPA adjudication panel will consist of four (4) or five (5) judges: Music/Music, Effect Music/Artistry, Visual, Effect Visual, and Timing & Penalties.

Our adjudicators are some of the finest in the country. We draw from the WGI pool of judges as well as respected instructors past and present from high profile programs throughout the country. An adjudication panel of qualified individuals from all regions of the United States helps to alleviate regional inflation of scores as well as maintain a sense of national relativity for ensembles traveling to WGI World Championships.

RMPA State Championships Finals will have a “double” panel of adjudicators.

## SCORE SHEETS

Equipment Rules notice: Please carefully review Articles 3 (Scoring), 4 (Equipment), 5 (Timing), 6 & 7 (Entry and Exit), and 8 (Penalties) of the WGI Rulebook. These rules are strictly enforced by Timing & Penalties Judges. The timing and Penalties Judge will be looking closely to enforce WGI Article 4 for Equipment. Please carefully review this and make sure all equipment is properly maintained (or otherwise be prepared) to assure that no damage will occur to the host facility, competition floor, or floor covering. Damage typically often occurs from dragging equipment/props/handles, wheels locking, fallen equipment, oversized props/carts, etc.. Such damage will be the responsibility of the ensemble and is subject to penalty. In the event of severe damage, the ensemble who caused the damage will be responsible for the cost of facility repair incurred by the event host.

*\*\*It is the responsibility of the Primary Contact to add their staff to Competition Suite so they can access your ensemble's commentary.\*\**

Judges expect every ensemble director will have listened to their commentary prior to entering Critique.

### **CRITIQUE**

Critique is a time for directors to seek clarity and further understanding of how to improve their performance/program.

Critique will be held in the Tabulation Room or Instructor Hospitality room. Score Sheets and recaps will also be available in Competition Suite, following retreat.
